It is also seen from the letter dated 9th January 1951 addressed by the Special Officer to the Deputy Commissioner that he has traced 35 cases of grant of leases of immoveable properties made by the Military authorities and that each one of these cases has to be throughly examined, spots inspected, and Orders of Government obtained thereon and that all this takes time.

I agree with the Deputy Commissioner and request that sanction of Government may be obtained to the -- continuance of the Special Officer and his staff --

staff sanctioned in the Government Orders mentioned in Para 1 supra on the same scales of pay for a - - further period of six months from 3rd February 1951 on which date the present term of the post of the - Special Officer expires.

Copies of the Deputy Commissioner's letter referred to above and that of the letter from the Special Officer to the Deputy Commissioner, Bangalore, are enclosed.

Office of the Special Duty Officer
for examination of Military Leases,
Bangalore, Dated 9th January, 1951.

To

The Deputy Commissioner,
Bangalore District,
B A N G A L O R E.

SIR,

I have the honour to state that Government in their Order No. 11040-11044/C.B. 272-50-1 dated the 3rd November, 1950 have sanctioned the Post of an Assistant Commissioner for examining the titles to or interest in Immovable properties leased or granted by the Military authorities in Civil & Military Station, Bangalore for Civilian purposes prior to retrocession, with a view to regularising the titles of the Present-holders on reasonable terms or to resume them on payment of compensation or otherwise as circumstances may warrant in each case. In pursuance of the above Government Order, I have been posted as Special Duty Officer for examining the titles to or interests in immovable properties in Civil & Military Station for Civilian purposes prior to retrocession by Government in their Order No. 11045/C.B. 272-50-2 dated the 3rd November, 1950.

In obedience to the latter of the Government Orders referred to above, I reported myself for duty as Special Duty Officer on the forenoon of the 15th November, 1950 from which date the

Post of the District Development Officer was abolished.

As could be made out from the records now available, 35 Immovable properties have been either granted or leased by the Military authorities for Civilian purposes in the Civil Station Area prior to retrocession and each one of these Military leases and grants has to be thoroughly examined and specific recommendations in respect of each property supported by records fofwarded to Government through the Deputy Commissioner, Bangalore District, Bangalore for final Orders as directed by Government in their Order No. 11040-11044/C.B. 272-50-1 Dated 3rd November, 1950 sanctioning the Post. The records in respect of all the above leases and Grants containing the original deeds are not readily available and action is being taken by me to get at the same. A reference has also been made by you to the Chief Secretary to the Government of Mysore in the matter of addressing the Government of India in making available the connected records.

Action is being taken as directed by the Chief Secretary to the Government of Mysore in his letter no. ...10204.... Dated, 14th Oct.50 for the resumption of the lands granted to the Church of England authorities for purposes of making the same available to the Survey of India Buildings...In the meanwhile, such of the references relating to Military leases and grants as are forwarded by Government un-officially through the Deputy Commissioner, for opinion are also being attended to by me.

I shall have to examine thoroughly each one of the records relating to the Military leases or Grants made by the Military authorities prior to retrocession soon after the receipt of the records and as the Post to which I am posted expires by the 3rd Feb., 1951, as Government have in their Order No. 11040-11044/C.B. 272-50-1 dated 3rd Nov., 1950 sanctioned the said post for a period of only Three Months, in the first instance, I request you to be so good as kindly to address the Revenue Commissioner & Civil Representative in Mysore, Bangalore for the continuance of the Post of the Special Duty Officer for a further period of Six months from 3rd Feb., 1951.

Letter No. S.O.26-C.26/50-51 dated 7th -- February 1951 from the Special Duty Officer for examination of Military Leases, Bangalore, to the Deputy Commissioner, Bangalore District.

-

Subject:- Continuance of the post of the Special Duty Officer for Examination of Military leases and his staff.

-

1) With reference to Revenue Commissioner's letter No. A.I.P.R.669/50-51 dated 31st January 1951 on the above subject calling for an early and detailed report on the several points - - raised by the Chief Secretary to Government in his letter No. 15171/C.B. dated 24th January'51 addressed to the Revenue Commissioner in Mysore, Bangalore, I write to state as follows:-

2) This Office is now dealing with 35 items of immoveable properties leased or granted by the Military authorities in Civil Station area prior to retrocession and each one of the above cases has to be thoroughly examined with a view to -- their titles being regularised by Government.

3) A detailed report regarding the Bowring Institute Grounds has been submitted by me in this Office letter No. S.O.8.C.8/50-51 dated 18th January 1951 and the same has also been forwarded by you to the Revenue Commissioner in your letter No. S.O.8.C.8/50-51 dated 18/ 23rd January 1951.

4) Action is being taken by this Office for the resumption of lands granted by the Military authorities to the 'Church of England' Soldiers Institute and Furlough Home' in - - accordance with the instructions of Government. A copy of the original lease relating to the lease of the said piece of land was got only recently from the Secretariat and the Government Pleader has been addressed in the matter of drafting a notice for being served on the lessee. This subject is being dealt with on a top priority basis in view of the urgency of the matter as directed by Government, since the property is now required for the Survey of India Buildings in Bangalore.

5) It is seen from the confidential Branch File No. 125/1937 of the Secretariat that -- some definite agreement has already been - - arrived at between the Mysore Government and the late Residency, with regard to the marginally* noted 12 items.

*

1. The all Saints Church (item No. 2)
2. Plot of land in Blackpally Maidan (item No. 3)
3. Compound of St. Patrick's Cathedral (item No. 4)
4. Lakshmi Theatre Site (item No. 5).
5. Land on Old Poor House Road (item No. 6).
6. Land on Hospital Road (item No. 7).
7. Portion of the Compound of No. 8, Rest House Road (item No. 25).
8. Municipal School, Cokadapalyam (item No. 27).
9. Plot of land in Moore House Barracks (item No. 9).
10. St. Mark's Church (item No. 7).
11. Plot of land in old Cubbon Lines (item 12).

p.t.o.

12. Valve Superintendent's Quarters (item 33).

6) Not withstanding the above, further action ~~is~~ has to be taken to implement the decisions already arrived at between the Mysore Government and the late Residency in respect of certain of the properties. Instructions have therefore been sought for in Deputy Commissioner's Office letter No. S.O.53/C.53/50-51 dated 2-2-1951 and orders of Government are ~~ex~~ awaited in the matter.

7) As regards the remaining immoveable properties, action is being taken by this Office to -- collect requisite particulars regarding the -- occupancy of the present holders, the purpose for which the lands are now being used, etc., etc., ~~wx~~ through the Revenue Inspector attached to this Office. Preliminary reports in respect of 27 -- properties have been received from the Revenue -- Inspector and notices have been issued to several parties to appear before the undersigned with -- relevant documents with a view to taking further action and 12 such cases have already been posted to 12th, 13th and 16th instants.

8) The original records containing the leases and correspondence relating to 33 items of the immoveable properties leased by the Military authorities are not readily available and emergent action is -- being taken to get the same from the Collector's Office records at the Mayo Hall and the Residency Office Files, now deposited at the Secretariat -- General Records. The Head Clerk of my Office has been specially deputed by me to search and trace the original records at the Secretariat Records, and it is reported by him that he has, so far secured only two files and that it would take another fortnight for him to complete the search. One of the clerks of the District Office has also been deputed to the Mayo Hall Records to trace any relevant correspondence pertaining to the Military leases and grants. After the search, both in the Secretariat Records and Mayo Hall is completed and records thus traced are examined a final report will be made in the -- matter of addressing the Government of India, if necessary, for getting the records required.

9) With a view to expediting matters, I am also addressing the Military Estates Officer, Mandras, and the Head Quarters, Bangalore Sub Area, Bangalore, for sending the original correspondence -- relating to the Military leases and grants.

10) Enquiries caused so far, reveal that in -- several cases, the original grantees or lessees are either no more, or their present whereabouts are not known, and in certain cases, the persons in possession of the properties leased or granted by the Military Authorities, are reported to be living outside, Bangalore. Action has to be -- taken to get the parties or their successors by issuing notices and verify their titles to the -- properties.

(Continued in the next Page).

11) Final reports in respect of each of the properties leased or granted by the Military authorities can be submitted only after getting the connected records and after making enquiries of the persons concerned.

12) In view of the circumstances explained above, a minimum period of six months seems absolutely necessary and as such Government may kindly be moved to sanction the continuance of the post of the Special Duty Officer and his staff for a further period of six -- months from 3rd February 1951.
